COMPLETE PROJECT LIFECYCLE

OUR END-TO-END DELIVERY PROCESS

From survey to handover — CSC manages the complete civil defense journey.

1
Survey

Site assessment,
code review,
and existing
condition check.

2
Design

Fire alarm,
fire fighting,
emergency lighting,
and compliance
design.

3
Find
Solutions

Practical,
compliant solutions
tailored to the
building and
use case.

4
Approved by
Civil Defense

Submission
documents,
authority
coordination, and
approval follow-up.

5
Supply &
Installation

Approved
materials, devices,
equipment,
installation,
and testing.

6
Handover

Final testing,
documentation,
training, and
successful
handover.

WHY THIS MATTERS

Faster
approvals

Code-compliant
design

One responsible
contractor

Smoother
project execution

For collective residential buildings, CSC supports compliant survey, design, approval, installation and handover under one scope.
