HOW THE ITAD SERVICE WORKS

A SIMPLE, SECURE JOURNEY FROM COLLECTION TO CERTIFIED DISPOSAL.

CSC manages the full IT asset disposal workflow with secure handling, verified processing and complete documentation.

On-Site Service

Data stays on your premises. Our team handles everything at your location.

Off-Site Service

Secure transport to certified processing. Tracked and fully documented from collection to completion.

The CSC Advantage

Traceability
Full asset visibility

Compliance
Meet legal and industry standards

Proof of Destruction
Audit-ready records and images

Responsible Disposal
A cleaner, greener tomorrow
